

The Leaking Truth

16th Post - Connection?

March 05, 2024

If I knew how to connect I would have done so ALREADY, this has been repeated SO MANY times I can't even fully count how many times I have said that. It's the truth. Honestly. This is where someone is abusing powers and rewinding back something here and stopping me from doing what I must do already because they have some sort of objective here abusing me and keeping me 100% present all the time and possibly stealing anything I "look at", that's a big picture worry here I will be honest and I'm trying to figure out a way to solve that problem here. If somehow reverse telepathy can be used to connect me abstractly somehow I encourage it to be figured out somehow? This possibly could lead to helping others as well who may be "stuck present" in something they don't want to be in anymore!!! Seriously it could open the possibility to helping others, like some kid I found online stuck in Grand Theft Auto like he might be being held accountable for his actions in, scary right?! I only have 1 timeline and that's the only timeline I ever been on here, stuck and unable to connect because someone is stopping it from happening somehow?!? I probably wouldn't be here writing this if connection was attainable?
